100 word description

The Room 217's Music Care Conference is a national one-day conference bringing together community members who are interested in music and care. The conference will identify will identify and integrate common themes and issues using music across the care spectrum and highlight the social implications of music in care. Presenters are experts in their field either through academic training, clinical or life experience. Participants include allied healthcare providers, family and volunteer caregivers, care receivers, musicians, faith - based and community agencies, students and the community-at-large. The Music Care Conference provides both education and inspiration that will impact quality of life and well-being. www.musiccareconference.ca
